Dear parent/carer,

You will be aware of media reports today about a threatening email that has been sent to some of our schools and schools across the country and I wanted to inform you of our actions.

The police are treating the threat in the email as a hoax with police officers continuing to investigate the source of these emails.

We will continue to work closely with our police colleagues as part of the investigation.

The safety of our children, young people and staff is our top priority, and we will always follow the correct procedures in this type of situation.

Yours sincerely

John McGhee.
