

# In St Margaret Mary's we are proud to wear our uniform

As we recover, we return to full school uniform.

Pupils in St Margaret Mary's should come to school each day in uniform. This is very important because:

- It is a sign that you are proud to be a member of the community of St Margaret Mary's.
- It allows the staff to easily identify intruders into the school.
- It stops pupils competing with each other over what they wear.
- Pupils in uniform suggests that they are well motivated and well disciplined.
